

# PURCHASE POLICY

The following policy is written and enacted by tastelifeuk (registered charity number 1158516). By purchasing Food, Feelings and Faith, you are agreeing to our Purchase Policy outlined below:

## General Terms

The tastelife Food, Feelings and Faith material is copyright and may not be copied and distributed without permission from the authors, tastelifeuk.

1.1 By purchasing Food, Feelings and Faith, you agree to these terms and conditions below.

1.2 Purchases of the Food, Feelings and Faith resource, whether as a digital or hard copy, are for use **in your organisation's context only**. This is to say, in your own singular church or school establishment.

1.3 The Food, Feelings and Faith resource, as well as any part of it, is not to be resold or shared with those outside your organisation. However, the worksheets and handouts may be printed and copied for participant use during the sessions within your context. Permission is not granted for copying any other material

1.4 In connection with the foregoing, tastelifeuk will—at its discretion—have the right to change, edit and amend the Food, Feelings and Faith material.

1.5 The Food, Feelings and Faith resource has been designed for young people between 11 and 18, but is particularly accessible for children aged 11-16 within the KS3 and KS4 educational brackets. Users are welcome to deliver the material to those outside this group but do so at their own discretion.

## Youth Group and School Purchases

2.1 Each purchase of Food, Feelings and Faith is based on a 'per organisation' policy.

2.2 This is to say that other youth workers or teachers within the same church or school are welcome to use the Food, Feelings and Faith resource too.

2.3 This is to say that a church/school who has purchased the resource should not distribute it to other churches/schools within their denomination or educational trust, or any other external organisations in any way.

2.4 'Distribution' includes the sharing of the resource and any constituent parts, either digitally or physically.

2.5 On the occasion that a youth worker or teacher leaves the organisation, the use of the Food, Feelings and Faith resource remains with the purchasing organisation.

2.6 On the occasion that a youth leader or teacher leaves the organisation, but has purchased the Food, Feelings and Faith resource personally, the use of the Food, Feelings and Faith resource should remain with the purchasing individual.

## External Facilitators

We understand that on many occasions, youth groups or schools may choose to have an external facilitator come to deliver the Food, Feelings and Faith material on their behalf. As an organisation, we fully welcome and support this.

3.1 With this in mind, we do not ask individual external facilitators to make multiple purchases for use in multiple locations.

3.2 We do ask, however, that facilitators invite the organisations they visit to make a recommended donation of £50 to tastelifeuk if possible. This is in addition to any charges that facilitators may choose to make for their own time.

3.3 Donations can be made in a variety of ways. Visit our website [www.tastelifeuk.org/donate](http://www.tastelifeuk.org/donate).

Any questions about this policy can be directed to the tastelife Youth Team via email at [youth@tastelifeuk.org](mailto:youth@tastelifeuk.org).
